

Peanut Butter Frosting

(Adapted from Ina Garten)

1 cup powdered sugar
1 cup creamy peanut butter
5 tablespoons unsalted butter, at room temperature
3/4 teaspoon salt
1/3 cup heavy cream

Place the powdered sugar, peanut butter, butter, vanilla, and salt in a medium bowl. Mix on medium-low speed with an electric mixer until creamy, scraping down the bowl with a rubber spatula as you work. Add the cream and beat on high speed until the mixture is light and smooth.

Makes about 3 cups.
